HOW PHOENIX WON FROM TUCSON HIGH

SOME DETAILS OF FIRST FOOT-BALL GAME OF SEASON

Tucson Has Fine Team But Was Unable to Score Against the Visitors in Clean, Fast Contest

Congratulating themselves upon having beaten a team as good as the Tucson high school eleven, the football warriors of the Phoenix high school returned home yesterday morning. All the boys came back in great shape. While they played a fast, hard game not one was hurt.

The score of the game, 5 to 0, was given in the Republican yesterday morning but no details of the contest were received until the team came back. According to the boys themselves, Tucson has a rattling good team. Disinterested spectators state, however, that Phoenix was stronger, both in their backs and in the line, than the Old Pueblo eleven. Tucson simply settled down and played hard against a team just a trifle better.

The game was governed by 1910 rules and was therefore divided into four quarters instead of two halves, as heretofore. Owing to shortness of time, the halves were cut down to twelve and a half minutes. The regulation length is fifteen minutes.

No one familiar with the 1910 rules could be secured to umpire the contest. Finally an umpire was agreed upon but according to his own confession he was more familiar with the rules prevailing in former years. Several times he penalized the Phoenix boys when they did not think they deserved it but they are making no complaint because of that.

"We won, and that's enough for us," said one of the P. H. S. players yesterday.

Time was short because two games had to be played in one afternoon on the same grounds. After the high school contest the Universities of Arizona and El Paso met in football combat. Everyone said, after the day's sport was over, that the high school students gave much the best exhibition of the game.

The first game was called at 1:30 p. m. Tucson won the toss and chose the kick-off. Captain Goebel of Phoenix taking his choice of the goals.

Goebel received the ball punted by the Tucson kicker and punted back. Grishaw downed the Tucsonian who caught the pigskin and Tucson had the ball when the two teams lined up for the first scrimmage. It was not long, however, before Tucson lost the ball on downs.

Excellent line bucking by Jackson and McGlaslin, the Phoenix half-backs, followed by Goebel tried for a field goal from the fifty yard line but failed by only a few inches. The ball went directly through the center of the goal posts but a trifle too low.

For a time the game was nothing more than a kicking duel. Goebel out-punted Tucson but his kicking was not quite as good as it was last year. The forward pass was worked only a few times by either side. The Phoenix line held well and often broke through the opposing formation.

At the end of the second quarter neither side had scored. During the third quarter a brilliant series of line bucking by Jackson, McGlaslin and Goebel carried the ball within two feet of the goal line. Tucson lined up for a final stand but it was of no use. Goebel went through left tackle and scored the only touch-down of the game. He missed kicking a goal. It was during this series of bucks that Jackson showed his muscle. He is without question the star of the team when it comes to work that requires brawn and "beef".

During the fourth quarter the play was fast and furious. Tucson was fighting like mad to score and keep Phoenix from running her score any higher. Despite their most strenuous efforts they were unable to score themselves, but they did hold down the capital city lads.

Time was never called on account of accidents to Phoenix players. The Tucson boys also finished in good condition.

Marlar, at quarter, ran the team in fine shape. O'Neill, at left end, played a fast game, stopping many Tucsonians who tried to get around his end. Hurley, at left tackle, and McGlaslin at right half, were two other stars.

Throughout the game was an extraordinarily clean one. Weather and grounds were both perfect for good football. Tucson was much surprised that she did not win. Their team held down the University in a practice game, two or three days before, to a score of 12 to 6.

The Phoenix boys were treated fine in the Old Pueblo. Everything was done for their comfort and in the evening they were guests at a ball at the University.

A return game will be played next Friday morning at 10 o'clock, at East-lake park. Both teams are confident of winning.

Next Tuesday morning at nine o'clock the Phoenix team will meet for practice and to be photographed.

This indicates the action of Foley Kidney Pills as S. Parsons, Battle Creek, Mich., illustrates: "I have been afflicted with a severe case of kidney and bladder trouble for which I found no relief until I used Foley Kidney Pills. These cured me entirely of all my ailments. I was troubled with backaches and severe shooting pains with annoying urinary irregularities. The steady use of Foley's Kidney Pills rid me entirely of all my former troubles. They have my highest recommendation." Elvey & Hullett, quality druggists.

THE BACKWARD FLIGHT OF MR. ROSKRUGE'S YEARS

Still He Entertains Hope of Becoming An Old Man.

George J. Roskrug of Tucson is in the city and will be here all this week. The territorial fair and no other territorial event would be complete without him. Mr. Roskrug is one of the early pioneers of the territory, that is one of the early living pioneers. He first saw Phoenix thirty two years ago when there was not much of it to see. All the business of the city as well as the residence part of it was comprised in the space of a little more than a block.

Mr. Roskrug recalled yesterday that next Friday will be the fortieth anniversary of his arrival in this country. He landed in New York from Cornwall under the doom of an early death. That had been pronounced on him some years before by the family physician who thought that his life might be slightly prolonged in this country. It has been prolonged almost half a century and Mr. Roskrug believes that if he takes care of himself he will live to be an old man, though of late years he has been growing younger until he feels as if he were about thirty.

TIRED DAYS--NERVOUS DAYS--BACKACHE DAYS

It used to be thought that a cross, nervous person had a "bad disposition." Now it is known that a nervous condition often results from kidney trouble.

There is a great deal of uric acid made in the human body. It is the duty of the kidneys to filter off this uric acid, but when the kidneys are weak, the poison is peddled about the body by the blood, and it irritates the whole nervous system, causing headache, dizzy spells, fits of "blues," neuralgic attacks, rheumatic pain, weak eyesight, dull, tired days, and a constant inclination to worry over trifles.

You feel as if you can't stand any noise about you. The little ones often wonder what makes mother so cross and nervous. The business man is ill-tempered with his help, and makes a big fuss over every little thing that goes wrong.

Another effect of uric poisoning is dropsy, or bloating—puffy pouches below the eyes, swollen wrists, ankles and limbs.

Kidney trouble makes urination irregular, passages too frequent, or scanty and painful, and gradually

"I am so nervous I could cry."

brings on attacks of gravel, stone in the kidney or bladder.

You can't afford to neglect weak kidneys as there is danger of fatal Bright's disease, or diabetes.

Doan's Kidney Pills strengthen sick kidneys, cure backache, regulate the urine and restore the normal blood-filtering action of the kidneys. This drives out uric acid and ends uric poisoning. Plenty of proof in the cases cured right here in your own city. Investigate this case:

PHOENIX PROOF.

Mrs. Amanda Richmond, 404 N. Fifth Street, Phoenix, Ariz., says: "I can recommend Doan's Kidney Pills highly, as I have used them with good results. For some time I was bothered by a pain in the small of my back and a difficulty with the kidney secretions. I thought at first that my trouble was caused by a strain, but although I tried plasters and liniments, I received only temporary relief. I finally procured Doan's Kidney Pills and soon after I began using them, the pain in my back ceased and the difficulty with the kidney secretions was corrected."
